RE: Court of Appeals Number: 02-14-00068-CV
Trial Court Case Number: 2011-006149-3

Style: Ashwin J. Babaria and Bharti A. Babaria
v.
City of Southlake, Texas

On March 18, 2014, the court notified you that it had received a copy of the notice of appeal in this case but was concerned that it may not have jurisdiction over this appeal because the trial court's January 10, 2014 judgment did not appear to be a final judgment or an appealable interlocutory order.

Appellants filed a response to the court's notification on March 26, 2014. However, the court is still concerned that it may not have jurisdiction over this appeal because the trial court's January 10, 2014 judgment does not appear to dispose of all parties in the case, and it does not appear to be an appealable interlocutory order.

Unless appellants or any party desiring to continue the appeal files with the court, on or before **April 7, 2014**, a response showing grounds for continuing the appeal, this appeal may be dismissed for want of jurisdiction. See Tex. R. App. P. 42.3(a), 44.3.

Respectfully yours,

DEBRA SPISAK, CLERK
